Product Description

Gravely ZT HD 52" Kawasaki Zero Turn Mower

THE MOWER IS KNOWN FOR MAKING NEIGHBORS JEALOUS.

For homeowners who don’t just want to mow their lawn but prefer to manicure it. After all, this is a residential mower often mistaken for a commercial unit. It has the power, durability, and high performance that lawn aficionados demand – causing them to ask whether or not their lawn is worthy of such a machine.

Features:

Seat Isolation

Removes vibrations to decrease fatigue by absorbing the rough terrain so your body doesn’t have to.

Commercial Deck

The 5 ½ inch deep fabricated 10-Gauge steel deck provides exceptional airflow and cutting performance with industrial-strength peace of mind, backed by the machine’s 4-year limited warranty.

Automotive-Style Tubular Frame

Increases durability by withstanding force from any direction. This high-strength, premium frame is positioned with a lower center of gravity to improve stability while mowing on hillsides.
