Product Description

IKON XD Limited Series 52" Kawasaki

With a solid tubular frame and a wide range of cutting sizes, the IKON XD brings power and flexibility to all yard sizes. A plush, high-back seat and large tires provide comfort and stability, hour after hour.

Features may include:

Commercial-Style Deck

Our deep, 4.5-inch fabricated deck delivers maximum airflow in challenging mowing conditions for consistent, professional cut quality.

Comfort

More comfort means less fatigue, courtesy of a plush, high-back seat with armrests.

Tubular Steel Frame

A fully welded tubular steel frame delivers superior strength and stability over competitive C-channel frame designs.

Hydro-Gear® EZT Transaxles

A professional-grade transmission with increased torque and load capacity provides improved response and control.

Dial-Operated Cut Height

The IKON XD features 13 cutting positions with the turn of a dial. Adjustment from 1.5-inches to 4.5-inches in

.25-inch increments.

Available Engines

Kohler® 7000 series or Kawasaki® V-Twin engine options deliver all the power you need, reliably and efficiently.
