Product Description

STIHL MS 181 C-BE - 16"

The MS 181 C-BE is our gift to anyone who gets that technology is here to serve us. (And not the other way around.) With the Easy2Start™ system on board, firing up this chainsaw couldn't be simpler or faster. Just a light pull on the cord does it. And our Quick Chain Adjuster makes it possible to adjust the saw chain without tools. This model also has our pre-separation air filtration system – which can extend the life of your air filter up to five times over previous models.
